

# Sunday Post Mass Clean Up

1. **Vacuum** – Vacuum cleaners are behind elevators in rear area of the church, leading to the Chapel, inside the oak panel closet doors. Vacuum all rug areas and floor area near snack table.
2. **Clean Containers** - Use mobile cart found downstairs in the closet located just outside the kitchen. Use elevator and bring coffee brewer and Ice Tea thermos containers downstairs to the kitchen and clean out. Coffee grinds go in garbage, NOT SINK. Please wash and rinse containers and leave to dry. Leftover donuts can be placed on kitchen pantry counter right next to snack table. If all donuts are gone, please dispose of crumbs and rinse out for drying.
3. **Table Cleanup** – Wipe down all tables w/ wet sponge and store all tables vertically in the upstairs kitchen pantry.

Many Blessings for your Service!!
