In the Church

Please join us for this prayerful gathering in response, recognition and repentance for the sins and crimes of sexual abuse against children and adults by members of the Catholic Church. We will lift in prayer, Word, song and reflection the victims and their families, asking for God's healing embrace upon them.

You need to be heard...

*The **Listening Session** immediately following the Prayer Service will offer anyone present a safe opportunity to share their thoughts and concerns regarding the sexual abuse crisis.*

This event is hosted by a committee including our priests and lay members of our parish community. If you have any questions, please contact Beth Vecchio at 973-449-5750.
